## In Memoriam

### Mr. Handley F. Pate

(Former School Board Member)

**Born** August 5, 1909

**Died** October 9, 1955

Long live men like MR. HANDLEY PATE in our treasured memories which will always be with us. His life is a great inspiration to all who have been fortunate enough to know him.

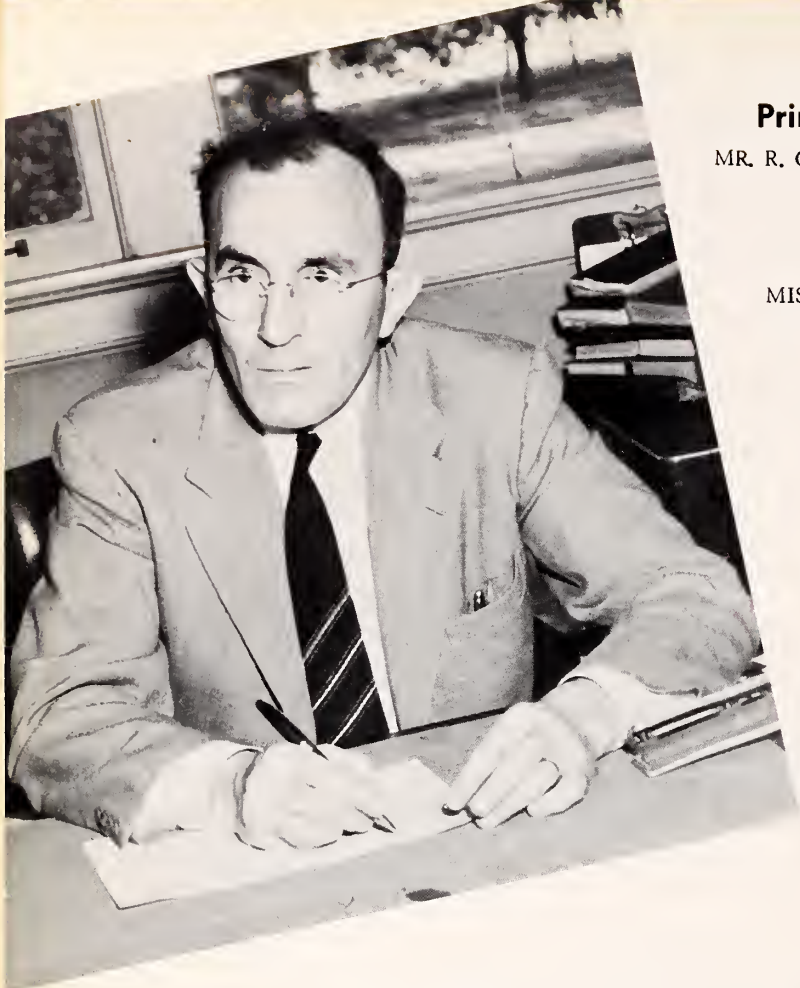

Loved by everyone, we often wonder why men of such great character have to leave from us so early in their lives.

## Mr. Grady I. Carriker

## Prophecy

Who was it that said there were no signs of success in the hearts and minds of those 1956 Seniors of "good old Pikeville High?" Was it you? If so, just listen to this.

I am, incidentally, HOWARD SEYMOUR just home from the Army. I decided to look up all my old classmates. My first stop was at the school. Boy, has it grown! We now have two Home Economics teachers, CAROL LYNN GARRIS and TOMMIE ANN LANCASTER. MARJORIE LEWIS has also decided to come back to her "Home Town" this time as basketball coach and science teacher. JIMMY BEST has decided that Pikeville is too small for him and is a Professor at State College.

Among those in the medical field in Pikeville are MAHLON FLEMING, a successful pharmacist in his own store. The town now has a hospital. A very successful one with only the best nurses. Our class was well represented here by FRANCES HOWELL, SANDRA HICKS, MONA PIPKIN, MARY FRANCES HERRING, ROSEMARY D'ANGELO. KARNE KILLETTE and REBECCA COX have given up the nursing profession for married life.

I drove out to Patetown and all the "farming fellows and gals" were gathered around the store. Seen here were ALLEN GRIFFITH, RICHARD SASSER, MORRIS BATTEN, JACK CRUMPLER, and KAROLE COX. The old saying is "gals are the gossips," but listen at this. They began talking about all their old friends. In the end I found out that BILLY TOLER was a pilot, SANDY PEELE, a star in M.G.M.'s pictures, GERALD BARTLETT a player for the New York Yankees, and CHARLES EDWARDS, a Darlington racer. What a famous class.

Those girls who have become executive secretaries are: BOBBY JEAN WEAVER, ANNE SCOTT, MARY LANCASTER, and MARY LOU ROBERTS. I understand that they are scattered all over the world.

Some of the girls chose to give up careers for married life. They are none other than HILDA BATSON, JEAN MOZINGO, MARJORIE MITCHELL, and DONNA DEAVER. Besides husbands they also have children to look after.

Some of the boys seem to be missing. Who could they be? Why one is J. T. SAULS, a station attendant. I remember two more cute boys, PHILLIP LANCASTER, a welder, and GEORGE DEANS, a flying guy.

Two of the girls have turned out to be very successful telephone operators, ANN JONES and BARBARA CHASE. They're married also.

Now in 1966, I marvel at the success and happiness of those Seniors of 1956.

## History

Most of us will never forget that first day of school as freshmen. That was way back in the Fall of 1952. We made many mistakes that first year, but we see now how we gained by them. We were separated that year with Mrs. Dorothy Johnson as the girls' sponsor and Miss Betty West as the boys' sponsor. A majority of our members were initiated into the F.H.A. and F.F.A. Some of our girls earned their Junior Homemakers Degree. Some of our members also went out for the basketball team that year and made it. They were Mona Ann Pipkin, Carol Lynn Garris, Marjorie Lewis, Mary Lou Roberts, Sandra Hicks, and Mahlon Fleming. They did very well under Miss Barwick and Mr. Holiday's supervision.

Well, in our sophomore year, we thought ourselves "Ole Timers" to high school ways, and really gave those poor freshmen a taste of what we had received the year before. We were still separated with Mrs. Montague as the girls' sponsor and Mrs. Ginn as the boys' sponsor. That was the year that six of us were initiated into the Beta Club, five girls and one boy. And what an initiation we had. But it was well worth it. That year we had our first taste of Algebra. What would we have done without dear old Mr. Carriker to guide us. Mona Ann Pipkin was chosen the most valuable player in the county tournament that year and Marjorie Lewis received honorable mention.

The next year came all too quickly and with it the responsibility that goes with being a Junior. Then and only then did we realize what a responsibility we had. But for once we were all together as a class and we knew if we worked together, we could make the grade. So with our class sponsor, Mrs. Dees, we started to work raising the money we would need. We sold everything from Christmas Cards to Stationary to school license plates. We also served the Goldsboro Civitan Club a supper. Our reward for all this work came on May 6, 1956. We had a very beautiful and impressive Junior-Senior banquet at the Moose Lodge in Wilson. It seemed to be enjoyed by all who attended. We also gave a very successful Junior Play which was entitled "One Mad Night". Some of the members of our class who had gone out for the basketball team made Wayne County All-Conference team. We were very proud of them. We also had a very interesting trip to Goldsboro for Junior Career Day.

And then the final year, the year we had been looking forward to for so long. It's funny how it seems to take ages to reach that final step, and then before you know it, you have already passed it and you can't seem to realize where the time went so fast. One of our nicest memories of this year is when we received our beautiful and long awaited class rings. Our class sponsor, Miss Barwick, seemed as happy for us as we were. She has made this last year everything we thought it should be. She has guided us in all our problems. She helped us in every way she possibly could toward raising the money we needed for our Washington Trip and for sponsoring the annual. Our Washington trip was something that will never be forgotten. How Miss Barwick and Mr. Spencer contended with us, we'll never know. We want to extend our thanks also to Mrs. Ballance for helping us on the annual. It would be hard to count the hours she spent supervising the work on it. One of our members, Carol Lynn Garris, is serving this year as State F.H.A. president. We are very proud of her. We enjoyed a trip to Greenville this year to observe college life at E.C. C. We also had a pleasant trip to the Ice Capades. We are looking forward to the Senior Play which will be given immediately after the basketball season is over. Then the Junior-Senior Banquet which will be in our honor. And then that final night when we will finally receive that diploma that we have worked for, for so long.
